

DIMENSIONS OF JESUS

SEEING HIM

- How do you see Him?
 1. As emotionally disconnected - spotless and sinless, perfect, but disengaged
 2. As someone who can not identify with life today
 3. As someone who passively accepts everything and everyone
- The scriptures reveal who He was and still is **(Hebrews 13:8 NKJ)**
 1. Cultures change, but He remains the same

THREE DIMENSIONS OF JESUS ON PALM SUNDAY

- The Divine King **(Luke 19:36-40 NKJ)**
 1. He knew who He was - the Son of God and King of God's Kingdom
 2. So He would not stop the people from worshipping and rejoicing
 3. He recognized the power of a spiritual kingdom that was superior to anything on earth
- A man who felt deeply **(Luke 19:41-44 NKJ)**
 1. The plan of God was for the peace for Jerusalem
 2. He knew what would happen to the city - prophetic scriptures regarding it's future
 3. They missed their visitation
- A man displeased at what was not right **(Luke 19:45-46 NKJ)**
 1. He expressed displeasure that God's house had strayed from God's intended plan
 2. God's house was to have been a safe place to connect with God

THE DIFFERENT DIMENSIONS OF JESUS IN OUR LIVES TODAY

- We become focused on being pleasing to Him

 2. We are to glorify God in our temple
 3. A great question becomes what can I change to be more pleasing to the Lord Jesus
- We relate to Him as someone who cares and understands
 1. He feels deeply and has experienced pain **(Hebrews 2:17-18 NLT)**
 2. He still has compassion for His people
 3. Recognize our time - God is working and doing things today / now
- We will not remain silent regarding Him **(Revelations 5:11-12 NKJ)**
 1. We will worship and honor Him as our King now
