

WHAT KIND OF GOD?

Part 1: A Good God

WHAT KIND OF GOD IS HE TO YOU?

- Our perception/belief of Him makes a significant difference
 1. Non existent
 2. Vindictive and angry
 3. Indifferent and detached
- Believing He is good (***Hebrews 11:6 NKJ***)
 1. We must first believe He exists
 2. And believe that He is a rewarder

TWO MEN PURSUING A JESUS WHO IS GOOD (***Matthew 9:27-31 NKJ***)

- It would have been understandable for them to assume the worst
 1. That Jesus would not help them
 2. But they had to have heard some things about Him
- They could have been derailed from their pursuit
 1. Jesus had not stopped for them
 2. They had to find the house and go inside
 3. No indication that anyone was helping them
- They believed Jesus was able and willing to heal them
 1. Once they connected they were halfway home
 2. Yes Lord to a seemingly impossible desire
 3. They had no intention of not telling what happened to them

WHEN YOU BELIEVE GOD IS GOOD

- Keeps you from being as impacted by your deficiencies
 1. We are no longer trying to earn God's goodness (***Titus 3:3-5 NKJ***)
 2. Makes it easier to rebound when we fall (***1 John 1:9 NKJ***)
- You keep seeking and making adjustments
 1. All of us face obstacles and hinderances in life
 2. Believing God is good helps keep us from quitting (***Hebrews 10:35-36 NKJ***)
- Then you dare to believe He will be good to you
 1. We have something to say about this (***Romans 8:31-32 NKJ***)
 2. As we experience His goodness we are no longer asked to stay quiet
