

# **REFLECTIONS AND PROJECTIONS**

(24th Anniversary)

## **REFLECTIONS**

- What have we learned?
  1. Our government has a lot of power
  2. The science experts are smart
  3. Our economic system is good
  4. Mankind still needs God - laws and polices have changed
- Paul appeals to a changed people
  1. He refers to them as God's own special people
  2. He calls them to different behavior (*Titus 3:1-3 NKJV*)

## **PROJECTIONS - WHAT WE CAN DO** (*Psalm 11:3 NKJV*)

- Make God a bigger part of our life (*Jeremiah 17:5-8 NKJV*)
  1. Trusting in man is limiting
  2. Putting our trust in God - results in blessings
- Recognize who we are in God's eyes (*Philippians 2:14-16a NKJV*)
  1. We are children of God - we represent Him
  2. We are called to stand out in the darkness
  3. Holding onto His word fuels our light
- Be a part of the answer for our land
  1. We speak life and healing to whatever / whoever is in our sphere of influence
  2. We pray for our land (*2 Chronicles 7:14 NKJV*)
